Attached excerpt from the Congressional Record sets forth the text of S. 2747, Fair Labor Standards Act Amendments (minimum wage bill). Note Section 28, p. S3039, extending the Age Discrimination in Employment Act of 1967 to include all Executive agencies.

A similar provision to preclude discrimination in all Executive agencies on the basis of race, color, religion, sex, or national origin was included in the Equal Employment Opportunity Act of 1972. At that time a statement was included in the Conference Committee Report to assure that the law did not affect the discretionary authority of agency heads, such as the Director, who operate under an authority as granted by statute. We may seek similar legislative history for the attached bill.
